DECLARATION BY POLICYHOLDER

I, the undersigned, hereby declare:

That I understand that this is an Accident and Health policy with stated benefits in terms of the Short-term Insurance Act 53 of 1998 and not a Medical Scheme product.

The sharing of claims information and underwriting information by Insurers is essential to enable the insurance industry to underwrite policies, assess risks fairly, reduce the incidence of fraudulent claims and protect the public interest in terms of limiting excessive premium increases.

I specifically consent to Cura Administrators (Pty) Ltd contacting my current Medical Scheme and/or medical practitioner to verify any medical details as provided in my claim form. I further consent to such information being disclosed to Cura Administrators(Pty) Ltd for purpose of verifying the disclosed information as provided on my application form.

As part of the claims validation process we may use the services of a third party in order to authenticate medical scheme membership, plan option type, relevant beneficiaries and agreed medical scheme option tariffs amongst other relevant information to validate the claim.

Cura Administrators(Pty) Ltd reserve the right to call for additional information of a clinical nature. In the event that Cura Administrators requests a PMA (Post Medical Assessment) from my doctor as part of the claims assessing and authentication process.

I authorise Cura Administrators to negotiate with service providers on my behalf for my medical claims and/or bill and pay the provider direct.

In the event of a bereavement related claim the Insurer will pay the benefit into the policyholder or nominated beneficiaries account. The beneficiary must be noted on the policy prior to any loss. Cura Administrators will require the full name, surname and ID to note the beneficiary. At the time of a claim Cura Administrators will require the beneficiary's ID and proof of bank. Should there be no beneficiary noted on the policy prior to the loss, or should Cura Administrators be unable to confirm the identity of the beneficiary, payment will always be made into the policyholder's account.
